

1 Let the green side of the paper face up

5 Open it again

8 Fold it in half

11 Fold it in half

2 Fold it in half

6 Flip the paper around, green side facedown. Now fold right and left sides of the paper to the crease in the middle.

9 and cut from you fold inwards to the middle, where the two folds meet

12 and push both ends inwards so that your cut opens

3 Open it again

13 now fold all sides together and flip until the front page turns forward

4 Fold it in half in the other direction

7 Open it again and flip, green side faces up

10 Open it again

14 Tadaa! Enjoy reading :)
